21 August 2024

Dear McMullen & Sons

On behalf of Cancer Research UK, I'd like to say thank you for your very kind donation of £4,250.

This wonderful donation could buy an exome sequencing experiment – used to find out information about our DNA, so our scientists can find cancer-causing mutations.

In the last 50 years, we've helped double cancer survival in the UK. Our pioneering research is saving lives, and we want to bring about a world where everyone lives longer, better lives, free from the fear of cancer.

Please extend our warmest thanks to everyone in McMullen & Sons who played a part in making this thoughtful gift possible – we really do appreciate it. The money you've raised together will help us to continue our life-saving work and give people more moments with the people they love.

If you've chosen to hear from us, we'll keep you updated about the progress we are making and the ways you can support our work in the future. If you'd prefer not to hear from us and haven't told us this already, you can contact us on 0300 123 1022 or at supporter.services@cancer.org.uk to let us know.

Together we are beating cancer.

Yours faithfully,

Trudy Stammer
Head of Volunteer Fundraising

If your communication to us includes personal information about your experiences of cancer, please be assured that, in line with General Data Protection Regulations, while we have stored this information on our system to enable us to respond to you, this will not be used by Cancer Research UK for any other purposes.
