To everyone at The Mac's Hart Trust,

Thank you for sending another generous donation of £220.00 to support our work. We really appreciate this.

Your kind gift will help so many children and young people who are facing cancer, like Morven. Morven was diagnosed with rhabdomyosarcoma at just seven years old, and endured nine rounds of chemotherapy and radiotherapy.

Thankfully, in September 2020 Morven's family were given the news that the cancer had gone. Since then she's even played at a summer camp for Chelsea FC – fulfilling her dream! Giving hope to children like Morven is why your donations are so vital.

Around 10 children and young people are diagnosed with cancer every day in the UK. With your ongoing help Children with Cancer UK can fund vital research to find safer, more effective treatments for all young patients.

Thank you for believing in a future where more children and young people with cancer survive.

With thanks once again,

*David Vella-Shaw*
