Monday 19th February 2024

Dear Macs Hart Trust,

Thank you so much for raising a wonderful £368.50 for Phyllis Tuckwell by organising a raffle for a Christmas hamper at Kingfisher on the Quay. We truly appreciate your ongoing support to our charity.

Our aim is to **make every day precious** for our patients and their families who are living with an advanced or terminal illness such as cancer, and **thanks to your generosity** we can make this happen.

Your donation of £368.50 could pay for a physiotherapist for two days at Phyllis Tuckwell, who help patients improve their quality of life and remain as independent as possible through all the stages of their illness.

"I knew I could call them at any time if I needed to speak to them about his condition or medication. From the moment we were referred, I felt so well supported by them. I couldn't have done it without them." Wife of a patient cared for by our Hospice Care at Home team

You make it possible for us to continue **supporting over 250 patients, relatives and carers every day** in their own homes, in the community, on our In-Patient unit and at the Beacon Centre in Guildford.

The Government/NHS only provide around 20% of our income, meaning we need to **raise over £25,000 every single day** to offer our services free of charge, and without supporters like you we would not be here.

On a final note, you may have heard about our plans to build a new hospice on our existing site in Farnham. This exciting project will enable us to care for many more people, for years to come. If you would like to find out more, please visit www.pth.org.uk/new-hospice.

Warmest wishes,

Lauren Trantham
